United States Congress - Wikipedia
The United States Congress is the legislature of the federal government of the United States. It is bicameral, comprising a lower body, the House of Representatives, and an upper body, the Senate. The Congress meets in the United States Capitol in Washington, D.C. Both senators and representatives are chosen through direct election, though vacancies in the Senate may be ...

Racism in the United States - Wikipedia
Racism in the United States comprises negative attitudes and views on race or ethnicity which are related to each other, are held by various people and groups in the United States and have been reflected in discriminatory laws, practices and actions (including violence) at various times in the history of the United States against racial or

Afghanistan, The United States, and the Legacy of
The United States lent $20 million to Afghanistan for construction of the Kandahar-Herat highway in 1945; they later extended this loan to $51.75 million in 1954. [9] In 1946, the U.S. Morrison-Knudsen Company agreed to loan the Afghanistan government $20 million for the construction of loans and irrigation systems.

Milestones: 1945-1952 - Office of the Historian
The United States emerged from World War II as one of the foremost economic, political, and military powers in the world. Wartime production pulled the economy out of depression and propelled it to great profits. In the interest of avoiding another global war, for the first time the United States began to use economic assistance as a strategic

Persecution Of Christians Growing In The United States
More Christians died for their faith in the twentieth century than at any other time in history, says Christian Solidarity International. Global reports indicate that over 150,000 Christians were martyred last year, chiefly outside of the United States. However, statistics are changing: persecution of Christians is on the increase in the United States.

Watch Paranoia | Prime Video
KJC Reviewed in the United States on October 29, 2021. 2.0 out of 5 stars. Umpteenth retelling of a story Hollywood apparently loves. Verified purchase. The acting was good, so I'll give Paranoia that - quite a few actors I enjoy watching (hard to go wrong with Gary Oldman and Harrison Ford - though working on this movie shows that they aren't

"Law & Order" Paranoia (TV Episode 1995) - IMDb
Nov 15, 1995 · Paranoia: Directed by Fred Gerber. With Jerry Orbach, Benjamin Bratt, S. Epatha Merkerson, Sam Waterston. The DA's office tries to prosecute a co-ed for brutally
murdering her roommate, but the only evidence is a vague confession. However, Dr. Olivet suggests that she may have suffered from paranoia due to her tragic family history.

**The Emergence of the United States as a Superpower after**
Nov 19, 2018 · The United States was by far the world’s strongest nation, with an atomic monopoly and unprecedented industrial weight. But it was still a resolutely distant super-state, hesitant to assume a commanding political and military position.
