Suburbanization in the United States after 1945 | Oxford
Apr 26, 2017 · Mass migration to suburban areas was a defining feature of American life after 1945. Before World War II, just 13% of Americans lived in suburbs. By 2010, however, suburbia was home to more than half of the U.S. population. The nation’s economy, politics, and society suburbanized in important ways. Suburbia shaped habits of car dependency and commuting, ...

Balliol College, Oxford - Wikipedia
History Foundation and origins. Balliol College was founded in about 1263
by John I de Balliol under the guidance of Walter of Kirkham, the Bishop of Durham. According to legend, the founder had abducted the bishop as part of a land dispute and as a penance he was publicly beaten by the bishop and had to support a group of scholars at Oxford. After de Balliol's death in 1268, ...

**African Americans in the Great Depression and New Deal**

Nov 19, 2020 · For African Americans, the Great Depression and the New Deal (1929–1940) marked a transformative era and laid the groundwork for the postwar black freedom struggle in the United States. The outbreak of the Great Depression in 1929 caused widespread suffering and despair in black communities across the country as women and men faced staggering ...
