Adult education and learning | Right to Education Initiative

Adult education forms an important element of lifelong learning. While ‘lifelong learning’ is not strictly part of the right to education, it is a concept that represents the continuity of the learning and educational process, and this is reflected in the right to education by the fact that it begins at birth and continues throughout life.

Right to health - Wikipedia

The right to health is the economic, social, and cultural right to a universal minimum standard of health to which all individuals are entitled. [citation needed] The concept of a right to health has been enumerated in international agreements which include the Universal Declaration of Human Rights, International Covenant on Economic, Social and Cultural Rights, and the ...
