Week 19: Ways of framing the difference between research and evaluation
May 09, 2014 · One of the challenges of working in evaluation is that important terms (like ‘evaluation’, ‘impact’, ‘indicators’, ‘monitoring’ and so on) are defined and used in very different ways by different people. Sometimes the same word is used but to mean quite different things; other times different words are used to mean the same thing. And, most importantly, many ...
